PROCRASTINATORS!

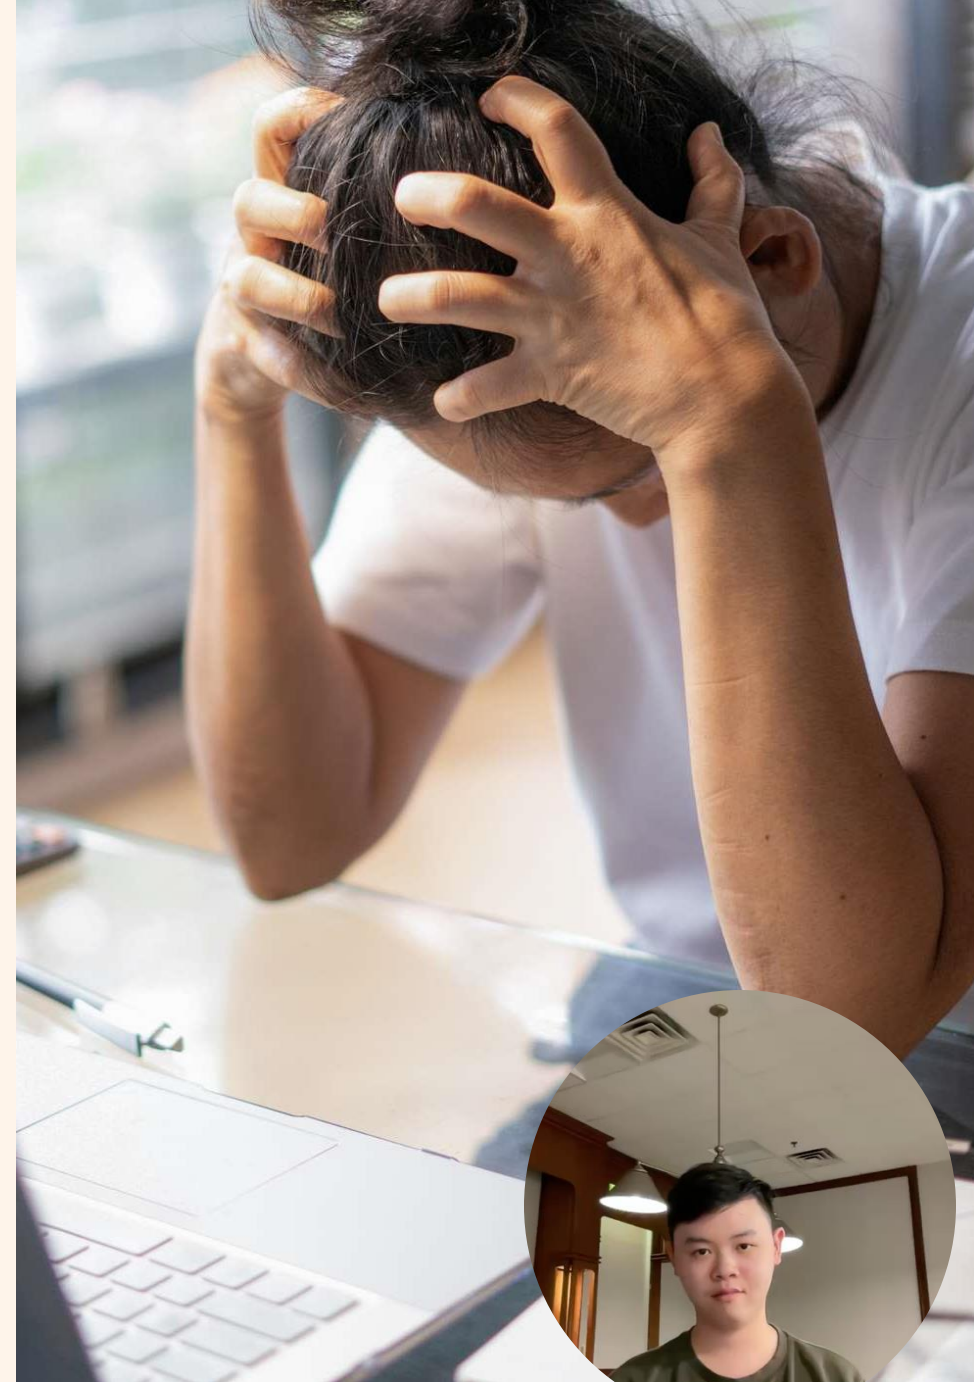

We understand the struggle...

SELECTION DIFFICULTY

The Art of Not Knowing What to Do

SELECTION DIFFICULTY – CORE OF PROCRASTINATION

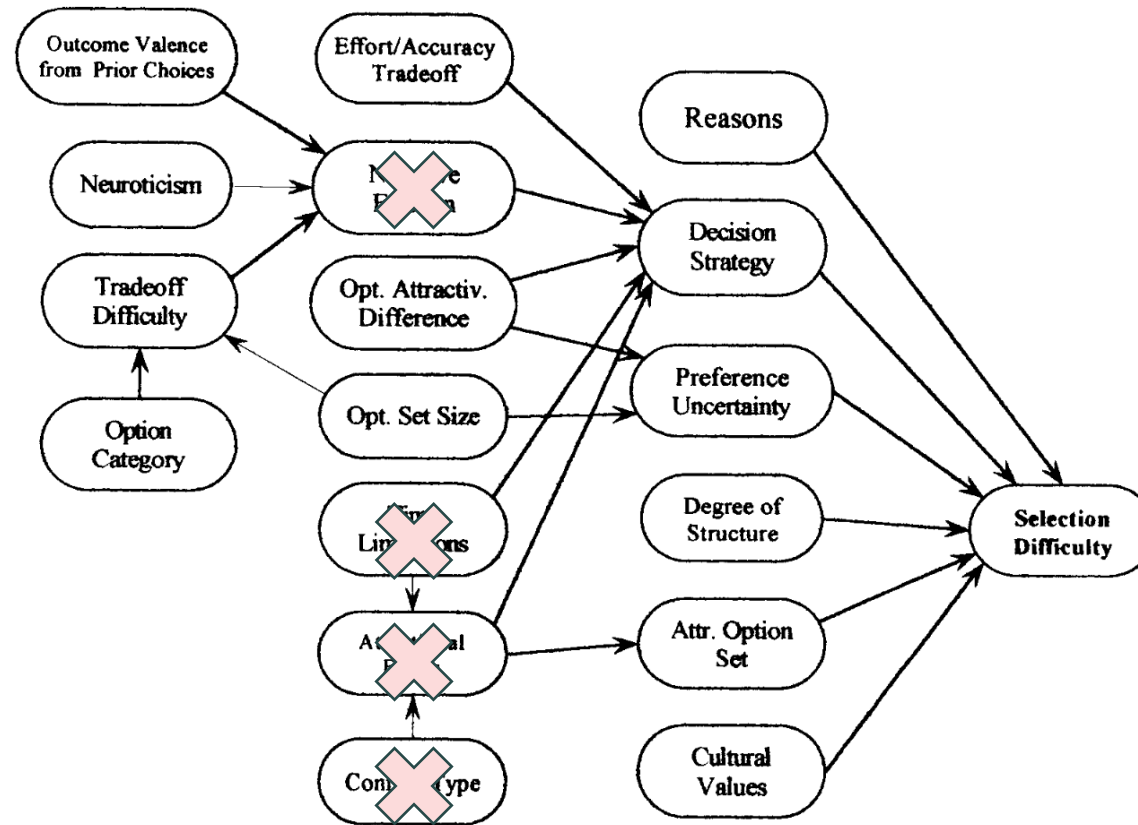

Figure 4. A model of the contributors to selection difficulty. Thin arrows indicate linkages for which evidence is scant or uncertain. Opt. = option; Attractiv. = attractiveness; Attr. = attractive.

SELECTION DIFFICULTY – CORE OF PROCRASTINATION

Traditional Solution

Help with Time Management and...
That's it!

Overlooked the deeper
psychological effect
